# **Board Told Insurance**

The Board of Education heard some good news and some bad nows hast night about fire insurhave for its buildings. As a result of sprinkler installa-

tions in Rossevelt and Barr schools its insurance rate is going to be 2.4 cents lower per \$100 of insurance. That means a saving of about \$2,400.

The bed nows is that replacement value of its buildings has gone up in the past three years. with a corresponding increase in inversité value. Commissioner Albert J. Conboy reported that a survey made for the insurance Club of Titles, whose members share in the school fire insurnoce business, shows the replacement value now is \$17.-495,000 The tasurable value is \$13.855.575. The intter figure propresents an increase in excess of \$3,400,000.

Conboy proposed and the board agreed that the \$2.400 rebate in
